POLICY

NO: 7007
DATE: 2011-04-08
REVISED: 2016-04-26

SUBJECT: DISTRICT STUDENT CODE OF CONDUCT

=====

A. Statement of Purpose

The Board of Education for School District No. 78 (Fraser-Cascade) recognizes its responsibility to provide a safe, caring and positive learning environment for all students. The establishment of a District Student Code of Conduct is intended to promote such an environment by providing students with guidance and direction on expectations for acceptable conduct.

In order to provide the necessary guidance, the Board of Education expects schools to develop school cultures that foster optimal learning environments, as outlined in the Diversity in BC Schools: A Framework. Therefore schools will strive to:

- develop positive school cultures and focus on prevention
- use school-wide efforts to foster respect, inclusion, fairness and equity
- set, communicate and consistently reinforce clear expectations of conduct
- teach, model and encourage socially responsible behaviours that contribute to the school community, solve problems in peaceful ways, value diversity and defend human rights
- assume responsibility, in partnership with the wider community, for resolving safety concerns
- work together to better understand issues such as bullying, harassment, and intimidation, racism, sexism and homophobia, and to learn new skills to respond to them
- respond consistently to incidents in a fair and reasoned manner, using interventions that repair harm, strengthen relationships and restore a sense of belonging
- participate in the development of policies, procedures and practices that promote school safety
- monitor and evaluate their school environments for evidence of continuous improvement
- recognize and celebrate achievements, while acknowledging areas that need improvement

([Diversity in BC Schools: A Framework](#); p. 22)

However, when students violate the District Code of Conduct despite proactive measures by schools, the Board then recognizes the need for appropriate forms of intervention which whenever possible will focus on consequences that are restorative in nature rather than punitive.

B. Policy

The Board of Education for School District No. 78 (Fraser-Cascade) expects students to treat others with respect and courtesy and to conduct themselves in a manner which contributes to and promotes a safe, caring and orderly learning environment in schools and at school activities.

The Board shall consider the conduct of any member of the school community that adversely affects the school environment to be a breach of the District Student Code of Conduct and to warrant appropriate forms of intervention. Special consideration may apply to students with special needs if these students are unable to comply with a code of conduct due to having a disability of an intellectual, physical, sensory, emotional or behavioural nature.

C. B.C. Human Rights Code

The Board of Education believes all individuals in the school district have the right to an environment free from discrimination and acknowledges that certain kinds of discrimination as prohibited by the BC Human Rights Code must be a part of a district and a school code of conduct.

The Board therefore expects students to not without a bona fide and reasonable justification:

to publish, issue or display, or cause to be published, issued or displayed, any statement, publication, notice, sign, symbol, emblem or other representation that

- (a) indicates discrimination or an intention to discriminate against a person or class of persons.
- (b) exposes a person or group or class of persons to hatred or contempt because of race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or age.

The Board also expects that a person or class of persons will not, without a bona fide and reasonable justification, be:

- (a) denied or discriminated against in regard to any accommodation, service or facility customarily available to the public because of their race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or age.
