**1.0 F.T.E. Continuing Distributed Learning Teacher**

A 1.0 F.T.E. Continuing Distributed Learning Teacher is required immediately for School District No.78 (Fraser-Cascade). The Distributed Learning Teacher (DLT) will work with students in need of support for online learning. They may also be assisting with implementing the District's technology plan and being comfortable working with staff to support the implementation of technology in the classroom. This position will include providing assessment and direction for those students taking courses through the Western Canadian Learning Network (WCLN) or those taking other online classes. The DLT may also offer support in a blended model of online and face-to-face teaching. The DLT may be responsible for liaising between students and the student's teacher/teachers to transition back to in-person learning.

The successful applicant must possess:

- a) a valid B.C. Teaching Certificate;
- b) University degree in elementary education;
- c) extensive training in technology or certification in a technology-based program.

The successful applicant should:

- a) be proficient working with various software including but not limited to TEAMS/Zoom Google Classrooms as well as demonstrated proficiency in Mac and PC platforms;
- b) be comfortable working with students in all grades (K-12) online and face to face as needed;
- c) connect with students during designated office hours and as necessary;
- d) provide ongoing summative and formative feedback for students, including report cards;
- e) provide adaptations to the online curriculum to meet student needs;
- f) be comfortable working from schools or in local facilities where there is space to connect with students;
- g) be open to developing individual course work to meet student needs where necessary;
