POLICY

SUBJECT: **FUNDRAISING**

The Board of Education supports the concept of student fundraising activities for school purposes only.

All funds are subject to the same accounting and scrutiny as are public funds.

Each school shall create a Principal Trust Account to record funds raised in the school by students, teachers and/or volunteers.

All funds collected are to be included as part of the Principal Trust Account.

Principal Trust Account balances including revenue and expenses will be reported to the Secretary-Treasurer at the School District Education Office on a quarterly basis and will be included in the financial reporting of the School District.
