

Schedule

Students will be scheduled by summer school staff for a **minimum of two (2) in-class sessions per week from 10:00 am - 2:00 pm**. In-class sessions will be for academic support and testing. Students who wish to attend additional in-class sessions, can do so up to a **maximum of five (5) sessions per week**. Students will be expected to work independently on the other days. Their teacher will be available in the mornings from **8:30 am - 10:00 am for extra help as needed**.

LOCATIONS **AESS** - Agassiz Elementary Secondary School
HSS - Hope Secondary School
(Room #'s TBA)

Expectations

Regular progress is expected. With only one month to complete their assigned work, students will be expected to make the most of their in-class time and **behave in a mature, business-like manner**. When students have **completed their assigned** course(s) they will **no longer be required to attend**.

Parents may refer their child(ren) with the **approval of summer school administration** in order to ensure that space is available. Capacity limits will be determined during the last week of June. If your child is approved for summer school, a **referral and consent form will need to be completed**.

Referrals

Please contact **summer school principal, Margaret Smiley** to discuss your child(ren)'s referral:

604.869.9953 (TREC) or 604.819.2975 (mobile)

Programs

I Students in **Grade 7-9** may be offered a **compressed version of Math and/or English** to prepare them for the next grade level.

II Students **currently enrolled in online learning** will be allowed to continue their online course(s) to their completion in the format described above.

III Students who have not passed a course with **in-class instruction** will be allowed to **complete additional units online** to bring them to a passing level.

IV Students wishing to **complete a course not previously attempted or not yet completed** may do so **if space is available**.

Technology

DEVICE REQUIREMENTS

- Computer or tablet with up-to-date browser
- Word processor (not required for Math courses)
- Webcam recommended
- Access to internet capable of streaming video
- Headphones
- Printer recommended

If students **do not have devices that meet these requirements**, they will need to make arrangements with their **home school principal to borrow equipment** for the month of July.
