

SCHOOL DISTRICT 78 FRASER-CASCADE

EVERYONE PULLING TOGETHER

November 29, 2021

Dear Parents and Guardians of SD78,

Re: School Status for Nov. 30, 2021

Please note that Fraser-Cascade Schools in Hope and Agassiz/Harrison are expected to reopen on Tuesday, November 30. The decision comes after multiple conversations with Principals, surrounding districts, the Ministry of Transportation and Infrastructure, the Ministry of Education and the District of Hope.

While the Hope community remains in a state of local emergency, our consultation with the district has suggested that our schools are safe for students, and the sooner our students can be in our schools, the more we move towards a state of normalcy. Boston Bar Elementary Secondary will continue with remote learning for this week until we see improvement in their highway accessibility.

As you are all aware, our current environmental challenges continue to make planning for our schools very challenging. I am overwhelmed by the flexibility and adaptability of our staff, parents and students. We will get through this and be stronger as a community when this is over.

Thank you to our community for your adaptability during this unprecedented time.

Yours truly,

Balan Moorthy
Superintendent of Schools
